The Bible is the inspired Word of God (2 Timothy 3:16), the only book that contains the complete truth about God, humanity, and salvation. It reveals the way to eternal life through Jesus Christ (John 14:6). Therefore, if you dream of being given a Bible, understand that this is a divine message. The devil can never lead you to a place where you will find the true light of life (John 8:12).

As Psalm 119:105 (NIV)says,

> “Your word is a lamp to my feet and a light to my path.”

This highlights how God’s Word illuminates the way for us, guiding us through life’s challenges and helping us walk in truth.

If you have not yet come to know Christ, understand that God loves you and desires to lead you into all truth (John 16:13). That’s why you may have dreamed of receiving a Bible, no matter your background—whether you are a Muslim, Hindu, pagan, or from any other faith. The Bible teaches that Jesus loves you and wants to save you (John 3:16). All you need to do is accept Him

into your life, and He will guide you into all truth and provide answers to the questions of your life (John 14:6).

Once you accept Christ, seek out the Bible and start reading it as soon as possible. The Bible is God’s living Word, and as you read it, it will begin to transform your life (Hebrews 4:12). It is also important to surround yourself with trustworthy teachers of God’s Word who can help you understand it more deeply (2 Timothy 2:15).
