

CLOUD OF WITNESSES, (BRETHRENS)

We believe that **Jesus Christ is the God manifested in human flesh** for the purpose of man's redemption, and he is the Alpha and Omega (*Rev.22: 13*).

We believe Brother William Branham is the messenger of God to our generation, sent as the Prophet of this generation and his ministry fulfills a prophecy given by the prophet Malachi.

Malachi 4: 5-6 “Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the Lord: And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse”

William Branham fulfilled Malachi 4: 6b. And Brother Branham also fulfills John’s prophecy concerning the 7th Angel, on Revelation 3:14 & 10: 7

So with all our hearts, we firmly believe that He is the Messenger of the last church that we are living now (**i.e Laodicean church**), and there

will be no other church after this, so there will be no other messenger after this one.

We do not believe that William Branham is God or Jesus. To do so is to cultivate idolatry, and to equate man with God, which is an abomination in his sight and blasphemy.

We believe in inner and outer holiness, and that, it is the duty of every Christian to live a holy life according to the Word of God as it is written in the Holy Bible.

We believe in zealously preaching the message of the last days, and baptizing people in the correct baptism, by immersion in the name of Jesus Christ according to *(Acts 2:38, 8: 16,10: 48 and 19: 5)*.

We also believe that we are living in the last days, and Our Lord Jesus Christ will appear soon.
