

Today, there's a unique power working throughout the world to influence and draw men unto Christ to be saved. It is the power of the Holy Spirit which stirs people and brings them to safety in Christ. This is the same power that drew the Animals to where the Ark was during Noah's time

Not so long before the floods came over the earth, Noah began to see various animals move closer to where he was being built. One morning he could see a lion and a lioness lying in a thicket just beside the Ark, and they looked quite tame with eagerness to enter a certain place.

Some distance in front of the Ark, he could also see Elephants suggestively standing in a manner as ones waiting on something. After a day or two, Noah saw many other animals in a pair of two, male and female, anxiously waiting to get into their new house (the Ark). They, like hens and cows gathering at the doorway of the house at dusk, waited eagerly but patiently for the command to enter the Ark. The anxious desire to get inside the Ark overwhelmed them so that they looked gentle and harmless.

Who led and guided the Animals until they came to where the Ark was? Had some people preached to them and warned them to escape from the coming judgment (destructive floods)? No! Certainly not! It was by the

power of God's Spirit that the animals were made to sense the coming of danger and enabled to escape from the judgment. They felt that life would continue thereafter and only way to cross from death to life was to move to where it was safe.

Did you know that even those who forecast weather and occurrence of earthquakes consider the behavior of animals to predict calamity?Whenever they notice unusual behavior among animals,for example, migration of birds from town areas into the mountains or over distant places,it is a sign that a disaster could occur in a certain place.Therefore, they alert the inhabitants of that place to take precautionary measures by moving to where it is safe for them.And surely,after a given period of time,the predicted calamity hits in

If God let this saving power unto animals(Romans 8:19-22),how much more he will give the Holy Spirit to us!Even today,the power is still at work in us.The Spirit testifies to us that we live in the last days, and that soon the end of all things shall come.It also testifies to us that there will be life after the judgment.Do not ignore this voice!

The Lord Jesus Christ is the 'Noah' of our times.His Word is the Ark.All that Noah was given came to him.Likewise, all that the Father gave to the Lord Jesus did come and are still coming today:

*John 6:37-38; "All that the Father giveth me shall come to me; and him that cometh to me I shall in no wise cast out. For I came down from heaven, not to do mine own will, but the will of him that sent me."*

*John 6:43; "Jesus therefore answered and said unto them, Murmur not among yourselves, No man can come to me, except the Father which hath sent me draw him and I will raise him up at the last day."*

The days are fleeing so quickly and the end of all things will come someday when the world will be judged. Have you quenched this power or is it still kindled within you? If so, how close are you to the Ark? The answer is with you. Today, take a stand for Christ and enter into safety that is only found in him. For the days are coming when many will long to enter but shall not be able.

THERE'S POWER WHICH DRAWS US TO CHRIST, VALUE IT!

Luke 13:23-28

<sup>23</sup> *Then said one unto him, Lord, are there few that be saved? And he said unto them,*

<sup>24</sup> *Strive to enter in at the strait gate: for many, I say unto you, will seek to enter in, and shall not be able.*

<sup>25</sup> *When once the master of the house is risen up, and hath shut to the door, and ye begin to stand without, and to knock at the door, saying, Lord, Lord, open unto us; and he shall answer and say unto you, I know you not whence ye are:*

<sup>26</sup> *Then shall ye begin to say, We have eaten and drunk in thy presence, and thou hast taught in our streets.*

<sup>27</sup> *But he shall say, I tell you, I know you not whence ye are; depart from me, all ye workers of iniquity.*

<sup>28</sup> *There shall be weeping and gnashing of teeth, when ye shall see Abraham, and Isaac, and Jacob, and all the prophets, in the kingdom of God, and you yourselves thrust out."*

The bible says that as it was in the days of Noah,so will it be with the coming of the Son of Man.This is not a reassuring word but a warning to us.We therefore need to look back and learn from what happened in the days of Noah.We ought to bear in mind that not all animals did enter the Ark but a few.Even today,only but a few listen and obey God's voice calling within them.Let's strive to be among they which hear and obey that still small voice speaking to us in the depths of our hearts.

Please pass along to others too.

God bless you
