

Our enemy Satan, is like a roaring lion looking for someone to devour **(1Pet. 5:8)**, so night and noon he fights against us in order to overthrow us or to take what we have.

Today we will look at one way he uses to rob us of our blessings.

When Satan knows there are certain blessings promised by God, he immediately begins to look for a way to rob you of that, now contrary to many who think that our enemy the devil is robbing us of our blessings by seducing us, or sending us witches! .. No! No magic can annul the blessings God has promised us through his mouth. Many people waste a lot of energy and time dealing with witches and superstitious people thinking that they are the ones who are blocking the blessings God has promised them for their lives but they are not!.

Satan knows very well that he can never take away what God has promised us, he does not have that power! When God says I will give you this or that, the devil cannot nullify that thing..so he does not use magic, nor divination!..

For example, you have walked in the ways of righteousness, you have been humble before God, you have served Him and God was very pleased with you, even giving you a promise as He gave to Abraham,

perhaps living many years, or even having a child or anything good. completely even in a vision, or even sent his angel to give you that message.

What the devil is doing after knowing that you have been given such a great promise, is not to use witches to cast spells on you or take your star .. no! He can't do that because he knows he will be wasting his time..what he will do is make sure you trust your first right, and start making you cool to keep doing justice .. so that God will be displeased with you, and take away the promise he made to you.

You will ask yourself! Does God always nullify His promises? the answer is yes!.

When the person turn away from his righteous and go back to commit iniquity, God will take away his promise that has made towards the person, it doesn't matter he sent his Angles or he came himself to give you that message, but at the end he will take it away. You will ask where is that scripture state that..

Ezekiel 33:13 "When I shall say to the righteous, that he shall surely live; if he trust to his own righteousness, and commit iniquity, all his righteousnesses shall not be remembered; but for his iniquity that he hath committed, he shall die for it."

If the Lord promises you to live many years, and if you turn away from your right, you will die before you reach your age, even though He has shown you that you will live many years.

Sister, that you are God-fearing now, if the Lord shows you that you are carrying a baby in the future, or He will use you in great numbers in the future and you turn around, and start committing adultery, you start dressing like worldly women dress, you become a gossip etc, you will forget that promise. You will start thinking if was really God who spoke to you that day or not! He is not a liar, the devil has already taken your blessing for so many days, and he has not taken it by magic! .. He has taken it by separating you from your God.

Always remember that, when the Lord gives you a promise of something, it does not mean that you have already received it! **(Do not put that in your mind).**

It is possible that today the devil will take away your crown, or your good promise that God has given you... the devil has brought you back into the world, that is why you no longer see the sign of the promise God made to you. , and again to a great extent .. but until now you do not see anything you wonder if God really showed you that vision or what it is!

You forgot that God's promises are fulfilled on us, as long as we remain in His will, when we depart from His will no promise of God will be fulfilled in us.

But the good news is that there is still hope, even if the devil steals your blessing, you are likely to get it back, and all the blessings that were taken away from you will return to you.

Ezekiel 33:15 "If the wicked restore the pledge, give again that he had robbed, walk in the statutes of life, without committing iniquity; he shall surely live, he shall not die.

16 None of his sins that he hath committed shall be mentioned unto him: he hath done that which is lawful and right; he shall surely live.

All you have to do now is repent! .. and return to the Lord with all your heart! But come back because you really know you are the culprit, your ways are evil, if you were a thief you stop stealing, and you return what you stole if they are still in the power of your hands, if you were an adulterer you stop committing adultery, if you were drunkard stop it ,if you used to dress badly, **(You are a woman but you wear naked clothes, wigs, earrings, lipstick etc.)** all that you give up, man if you used to shave worldly styles, and you used to wear worldly clothes you quit..and all other inappropriate things .

And after giving up all that, and repenting the next step is baptism, remember baptism is the only way to complete salvation for a person **(Mark 16:16)**. And the right baptism is by many water and in the name of Jesus Christ.

And after that the Holy Spirit that came into you, will guide you and lead you into all truth. And He Himself will restore all the Blessings and all the promises that have been taken away from you. You will see them fulfilled before your eyes.

That is the easiest way to restore your blessings and promises, and you do not need to be prayed for by anyone, its only you to get back the good relationship with God that was broken and you will start see your

blessings that God promised you.

God Bless you.

Please share this good news with others.
