

Shalom.

Blessed be the name of our Lord Jesus Christ. We are about to meditate on the beautiful words of life.

Have you ever carefully considered this verse?

Isaiah 35: 8 "And an highway shall be there, and a way, and it shall be called The way of holiness; the unclean shall not pass over it; but it shall be for those: the wayfaring men, though fools, shall not err therein."

So much so that at the end he says "***even though they are ignorant, they will not lost***"?.... It means that there is a real possibility that there will be some of God's people, who walk in salvation, but in one way or another there some ignorance in them.

And that ignorance can be caused by either a misunderstanding of the scriptures, or a failure to understand the full power of God, and His ways. they will never lost.

Today in many places you will pass by and meet a group of people who say, ***“If salvation is what it is, it is better for me to remain in my sins”***. You will meet some who say, to save their work is only self-denial, pleasing they are not pleasing, there are shelves, if God is so blessed I will only remain in my world .

Brethren, the bible says, even if what they do is due to their ignorance. , determined to follow their God, they will never lost, no matter what, that is a guarantee from God. Even if they refuse to go to school, even if they sleep in the woods, even if they fast all year, even if they are illiterate, never expect such people to be lost. Take that out of your mind.

But if you are a friend of the world. You see your ways are the same, you see the ways of the worldly people are right, how they live comfortably, prosper, jump, do makeup, and walk naked on the street, and wear hats, you are the ones who like them, I want to tell you even if you are smart how, the end of the day will only end badly. Because the Bible says so.

*Proverbs 14:12 "There is a way which seemeth right unto a man,
but the end thereof are the ways of death."*

You see yourself, life is a luxury, and while Christ is away from you, your end will be hell, you who see life as self-indulgence and adultery, and committing all kinds of sins as you feel, that is, in short you give your heart everything you love, and while you see salvation is a heavy burden. Prepare to meet death.

You have been mocking the Christians, saying that they are ignorant, insane, what God they worship makes them so, they pray night and day, and no miracle happens.

Brethren even if they are ignorant, but be aware that their ignorance they do in the car that is on the journey. And you show your intelligence while you are out of the car. That is the difference between you and them .. What will those minds do for you if you die today, what will it do for you to get the whole world, and then you get the loss of your soul ?. If you think they are fools, then get in Christ, and you be in that safe car, then take out the folly that's in them. But if you are out of Christ, know that you are the ultimate fool.

ALTHOUGH THEY ARE IGNORANCE, THEY WILL NOT BE LOST IN
THAT WAY

This life is very short, I advise you to give your life to Jesus my brother. Today you have a breath, but tomorrow you do not know where you will be, even if you will be there remember Life is a mystery no one knows the day of his departure, so we must daily examine ourselves, What? Are we still in the celestial chariot or have we been down for days?

May the Lord help us all.
