

Many people are surprised when they read *Ecclesiastes 1:18*, which says:

“For with much wisdom comes much sorrow; the more knowledge, the more grief.”

It sounds almost discouraging—doesn’t the Bible also say we should seek wisdom?

To answer that, we need to understand the **context** and the type of wisdom Solomon is talking about.

#### 1. Context of Ecclesiastes: Wisdom Under the Sun

The book of Ecclesiastes is a reflection by King Solomon, who was given unmatched wisdom by God (1 Kings 4:29–30). But in *Ecclesiastes*, Solomon sets out to explore life “under the sun”—that is, from a purely **human, earthly perspective**. He investigates human labor, pleasure, knowledge, and success to find lasting meaning.

In *Ecclesiastes 1:13*, Solomon writes:

“I applied my mind to study and to explore by wisdom all that is done under the heavens. What a heavy burden God has laid on mankind!”

Here, he is **not pursuing divine or heavenly wisdom**, but examining the world through human reasoning and observation. That’s why, after all his searching, he says it’s like “chasing after the wind” (v. 14). Nothing satisfies.

So when Solomon says “*with much wisdom comes much sorrow*”, he’s referring to the burden that comes with **deep understanding of earthly matters**. The more you know about how the world really works—the injustice, pain, and vanity of life—the more it can weigh you down emotionally and spiritually.

## 2. Worldly Wisdom vs. Godly Wisdom

The Bible distinguishes between **worldly wisdom** and **godly wisdom**.

**Worldly wisdom** often centers around human achievement, philosophy,

or intellectual pursuits, which can leave people feeling empty or burdened

(1 Corinthians 3:19 – “

The wisdom of this world is foolishness in God’s sight.”).

**Godly wisdom**, on the other hand, begins with a proper relationship with God.

*Proverbs 9:10* says:

“The fear of the Lord is the beginning of wisdom, and knowledge of the Holy One is understanding.”

True wisdom aligns with God’s character and leads to peace, humility, and eternal perspective.

### 3. Jesus Christ: The Wisdom of God

In the New Testament, we learn that **Jesus Christ Himself is the embodiment of God’s wisdom.**

*1 Corinthians 1:24* says:

“...to those whom God has called, both Jews and Greeks, Christ the power of God and the wisdom of God.”

So, unlike worldly knowledge that can bring sorrow, knowing Christ brings **life, peace, and rest**. Jesus gives us hope that transcends the chaos and vanity of this fallen world.

He invites all who are weary and burdened—like Solomon was after all his searching—to find true rest in Him:

**Matthew 11:28-30 :**

“Come to me, all you who are weary and burdened, and I will give you rest.

Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls.

For my yoke is easy and my burden is light.”

#### 4. Conclusion: Seek Wisdom That Leads to God

Solomon’s conclusion in *Ecclesiastes 12:13* is the key to resolving this tension between wisdom and sorrow:

Ecclesiastes 12:13

“Now all has been heard; here is the conclusion of the matter: Fear God and keep his commandments, for this is the duty of all mankind.”

In other words, **the only wisdom that truly satisfies is the wisdom**

**that leads us to revere God and follow His ways.**

So yes, pursue wisdom—but the kind that leads you to Christ. Worldly wisdom might open your eyes to pain, but **godly wisdom opens your soul to peace.**

**Shalom.**
