

Romans 8:37 - "No, in all these things we are more than conquerors through him who loved us."

There is victory—but there is also victory beyond victory.

When you compete with others and win, you are considered a winner.

Likewise, when you confront demons or evil forces and overcome them, you are still a winner.

But when you wrestle with the God of Heaven and Earth and prevail, that is victory beyond victory.

You may wonder: how can anyone contend with God and win? The answer is yes!

Jacob wrestled with both humans and God—and overcame.

Genesis 32:27-28 - "Then the man said, 'What is your name?' 'Jacob,' he answered. 28 The man said, 'Your name will no

longer be Jacob, but Israel, because you have struggled with God and with humans and have overcome.’”

The name “Israel” means “God prevails” or “He who struggles with God and prevails.”

Jacob wrestled for God’s blessings and took hold of them. He moved beyond the level of contending with people to contending with God Himself—and triumphed. At this point, he can no longer be called just a winner; he is more than a winner.

In the same way, those who are truly in JESUS are more than conquerors. They have surpassed merely overcoming people; they have reached the level of contending with God and receiving His blessings.

Ephesians 3:20 - “Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us.”

Those who are truly saved do not have time for witches—they are

already defeated.

They are not troubled by evil people—they have already overcome them in the spiritual realm. But they do have time for God and His blessings, which they actively pursue. And when they prevail, they are no longer simply called winners—they are more than winners! Hallelujah.

Remember, this extraordinary victory exists only in JESUS CHRIST. No one else can give it.

1 Corinthians 15:57 - "But thanks be to God! He gives us the victory through our Lord Jesus Christ."

This is the power of being in JESUS.
Witches cannot defeat you in JESUS.
Demons cannot defeat you in JESUS.
