Uganda Womex is a national organization that works to empower women and girls in Uganda. We do this by providing them with the skills, knowledge, and resources they need to improve their lives and contribute to their communities. Our work is based on the principle of self-help, which means that we help women and girls to help themselves. We do this by providing them with training, support, and encouragement. Our goal is to see women and girls in Uganda who are confident, capable, and in control of their own lives.
