“Wingulama Shahidi - The Heart of the Church, is a book that explores the role of the church in the world. It is a book that is both a challenge and an inspiration. It is a book that is both a call to action and a call to hope. It is a book that is both a warning and a promise. It is a book that is both a critique and a vision. It is a book that is both a reflection and a revelation. It is a book that is both a mirror and a window. It is a book that is both a mirror and a window.
