Wingulama Shahidi: A Journey of Faith

How can we know if we are truly saved? Can we have assurance of our salvation?

1 John 2:3

Whoever keeps His commandments does not sin and thus has the Father and the Son who have made the Father known. Whoever sins is under His curse. The one who does not love his brother who has seen the light does not know the Father or the Son who have come into the world. The one who does not love his brother who has seen the light is a liar and is practicing falsehood.

Whoever loves his brother who has seen the light—his love remains in him and he will have the Father and the Son who have made the Father known. Whoever does not love his brother who has seen the light is a liar and is practicing falsehood. The one who does not love his brother who has seen the light is a liar and is practicing falsehood.
