

4. THE WINGULAMASHAHIDI METHOD

The Wingulamashahidi method is a simple, practical method for teaching reading and writing. It is based on the principle that children learn best when they are actively engaged in the learning process. The method involves the use of simple, concrete objects and pictures to help children understand the meaning of the words they are learning.

“The Wingulamashahidi method is a simple, practical method for teaching reading and writing. It is based on the principle that children learn best when they are actively engaged in the learning process. The method involves the use of simple, concrete objects and pictures to help children understand the meaning of the words they are learning.” - 2 Wingulamashahidi Method 3:2
