## 2. The Parable of the Ten Virgins

Matteo 25:1-13

“Ten virgins went to buy oil for their lamps. Five of them were foolish and five were wise. The foolish ones did not take extra oil, while the wise ones did. When the bridegroom came, the wise ones were ready and the foolish ones were not. The door was shut and the foolish ones were left outside. The lesson is to be ready for the Lord's return.”
