There are three main pillars of the Nyeri Memorial Lecture:

- Empowering women in agriculture
- Promoting sustainable agriculture
- Improving the lives of rural communities

The Nyeri Memorial Lecture is a platform for sharing knowledge, experiences, and best practices in agriculture. It is a forum for farmers, researchers, and policymakers to come together and discuss the challenges and opportunities of the sector. The lecture is held annually in Nyeri, Kenya, and is a key event in the agricultural calendar.
