4. The Bible (Continued)

The Bible is a collection of books written by different people at different times. It is divided into two main parts: the Old Testament and the New Testament. The Old Testament contains the laws and stories of the Jewish people, while the New Testament contains the life and teachings of Jesus Christ and the early church. The Bible is considered a sacred text by many people and is the foundation of the Christian faith.

Matthew 12:6-10

“The Son of Man is Lord of the Sabbath,” Jesus said to the Pharisees. He said to them, “The Sabbath was made for man, not man for the Sabbath. So the Son of Man is Lord of the Sabbath.”

Matthew 22:15

“The kingdom of God is not a matter of eating and drinking, but of righteousness, peace and goodwill to one another,” Jesus said to the Pharisees.
