

Exegesis (Exegesis) vs. Eisegesis (Eisegesis):
What's the difference between the two?

Exegesis vs. Eisegesis is a common question in biblical studies. Exegesis is the process of drawing out the meaning of a text, while Eisegesis is the process of forcing a text to mean what you want it to mean.

1) Exegesis (Exegesis)

Exegesis is the process of drawing out the meaning of a text. It involves a careful study of the text, taking into account the historical context, the language, and the author's intent. The goal of exegesis is to understand the text as it was intended to be understood.

Sola Scriptura (Sola Scriptura) is a principle of Christian theology that states that the Bible is the only source of authority for the Christian faith.

“The Bible is the only source of authority for the Christian faith. It is the Word of God, and it is the only source of truth. The Bible is the only source of authority for the Christian faith. It is the Word of God, and it is the only source of truth. The Bible is the only source of authority for the Christian faith. It is the Word of God, and it is the only source of truth.”

Exegesis (Exegesis) vs. Eisegesis (Eisegesis):
What is the difference between the two?

“The Lord is with me and will strengthen me; he will deliver me from all my troubles.”
(2 Samuel 22:33-34)

Exegesis is the process of interpreting the text, while *Eisegesis* is the process of imposing one's own ideas onto the text.

- Exegesis: What does the text mean? What is the author's intent? What is the context?
- Eisegesis: What does the text mean to me? What does the text mean to my church? What does the text mean to my culture?
- Exegesis (Exegesis/Eisegesis): What does the text mean to me? What does the text mean to my church? What does the text mean to my culture?
- Exegesis: What does the text mean? What is the author's intent? What is the context?

2) Eisegesis

Eisegesis 是指将个人的观点或信仰带入经文解释的过程。这个词源自希腊语 *eis* (“进入”) 和 *hēgeomai* (“我认为”)。与 *Exegesis* 不同，*Eisegesis* 不是从经文本身寻找意义，而是将个人的理解或信仰强加于经文之上。这种方法可能导致对经文的误解，因为它忽略了经文的历史和文化背景，以及作者的原意。

Exegesis 与 Eisegesis 的区别：Exegesis 是从经文本身寻找意义，而 Eisegesis 是将个人的理解或信仰强加于经文之上。

“经文的意义不是由读者决定的，而是由作者决定的。因此，在解释经文时，我们必须努力理解作者的原意，而不是将自己的观点强加于经文之上。”
