

11:21 (Matthew 11:21 - Luke 11:28)

“Why do I see you here and not there? Why do you stand here and not there? Why do you sit here and not there? Why do you stand here and not there? Why do you sit here and not there?”

Why do you see me here and not there? Why do you stand here and not there? Why do you sit here and not there? Why do you stand here and not there? Why do you sit here and not there?

Why do you see me here and not there? Why do you stand here and not there? Why do you sit here and not there? Why do you stand here and not there? Why do you sit here and not there?

Why do you see me here and not there? Why do you stand here and not there? Why do you sit here and not there? Why do you stand here and not there? Why do you sit here and not there?

Why do you see me here and not there? Why do you stand here and not there? Why do you sit here and not there? Why do you stand here and not there? Why do you sit here and not there?

Why do you see me here and not there?

Why do you see me here and not there? Why do you stand here and not there? Why do you sit here and not there? Why do you stand here and not there? Why do you sit here and not there? (Matthew 11:21)

Why do you see me here and not there? Why do you stand here and not there? Why do you sit here and not there? Why do you stand here and not there? Why do you sit here and not there?
