“...the things that are seen are temporal, but the things that are not seen are eternal. These are the things that are eternal: love, joy, peace, kindness, goodness, faith, gentleness, self-control, and so on. These things are not subject to change or decay. They are the things that will last forever. So, if we want to have eternal life, we must have these things in our hearts. We must love God and love our neighbors. We must be kind and good. We must have faith in God and His promises. We must be gentle and self-controlled. These are the things that will last forever. So, let us strive to have these things in our hearts. Let us love God and love our neighbors. Let us be kind and good. Let us have faith in God and His promises. Let us be gentle and self-controlled. These are the things that will last forever.”

...the things that are seen are temporal, but the things that are not seen are eternal.

2. ...the things that are not seen are eternal (eternal things)

...the things that are not seen are eternal. ...the things that are not seen are eternal. ...the things that are not seen are eternal.

Matthew 14:16-20

“...the things that are not seen are eternal. ...the things that are not seen are eternal. ...the things that are not seen are eternal.”

...the things that are not seen are eternal. ...the things that are not seen are eternal. ...the things that are not seen are eternal.
