- The Holy Spirit is the presence of God in our lives. He is the one who leads us into truth, gives us wisdom, and empowers us to live in obedience to God's will. He is the one who comforts us in our trials and helps us to overcome our weaknesses. He is the one who gives us the power to love God and love others as He has loved us. He is the one who gives us the power to resist the devil, the flesh, and the world. He is the one who gives us the power to live in holiness and to bring glory to God. He is the one who gives us the power to be witnesses of the Gospel in our world.
